Account Beneficiary Designation

Subject to and in accordance with the terms of the plan, I am making the following beneficiary designations for my vested account balance in the event of my death. If I have more than one primary beneficiary, the account will be divided as specified. If a primary beneficiary predeceases me, his or her benefit will be allocated to the surviving primary beneficiaries. Contingent beneficiaries will receive a benefit only if there is no surviving primary beneficiary, as specified. If a contingent beneficiary predeceases me, their share will be allocated among the surviving contingent beneficiaries. If I fail to designate beneficiaries, amounts will be paid pursuant to the terms of the Plan Document or applicable state law. This designation is effective upon execution and delivery to MetLife at the address below. I have the right to change the beneficiary designations. If any information is missing, additional information may be required prior to recording my designation. This designation supersedes all prior designations. Beneficiaries will share equally if percentages are not provided and any amounts unpaid upon death will be divided equally. Primary and contingent beneficiaries must separately total 100.00%. The number of primary or contingent beneficiaries you may name is not limited. Attach an additional sheet, if necessary for additional beneficiaries.

Participant Agreement and Required Signature(s)

I agree to the terms and conditions stated in this Participant Enrollment form with respect to the account that is established with it. I agree that this account is subject to all of the terms and conditions of my employer's written plan.

Fees and Expenses: I acknowledge and agree that the fees described in the Mutual Fund Select Portfolio Disclosure Statement will apply to my account and are payable to Metropolitan Life Insurance Company for administrative and recordkeeping services for the MFSP portion of my plan account. I understand that I will also pay fees and expenses for each mutual fund in which I have an investment. I further understand that mutual funds may impose redemption fees on certain transfers, redemptions or exchanges if assets are held less than the period stated in the mutual fund's prospectus or other disclosure documents. I acknowledge that I will pay fees and expenses for variable annuity products and their investment options, and that certain withdrawal charges may apply for both variable and fixed annuities. For more information on fees and expenses, I will refer to the respective mutual fund and/or annuity prospectus.

Investment Options: I understand that by signing and submitting this Participant Enrollment form for processing, I am requesting to have the account that is established under this form allocated to the investment options under the Plan that I have selected in accordance with the Investment Option Information section of this form. I understand and acknowledge that all payments and account values, when based on the investment of a variable annuity or a mutual fund option, are not guaranteed and may fluctuate, and upon redemption, units or shares may be worth more or less than their original cost. I understand the risks of investing. I acknowledge that I have received the prospectus for each mutual fund in which I am making an allocation, a prospectus for the Fixed Account Annuity issued by MetLife Insurance Company of Connecticut (if applicable) and, a prospectus for the variable annuity option issued by MetLife Insurance Company of Connecticut or Metropolitan Life Insurance Company and other disclosures, including, as applicable to my account: General Information About Your Mutual Fund Select Portfolio (MFSP) Account, MFSP Disclosure Statement, Compensation Disclosure Notice, Privacy Notice, Business Continuity Plan Disclosure, 403(b)(7) Custodial Agreement, Fixed Annuity Disclosure and Making an Informed Decision Disclosure, and the specific MFSP Disclosure Statement for my plan.

Withdrawal Restrictions: I understand that the Internal Revenue Code (the "Code") and/or my employer's plan may impose restrictions on the availability of certain monies (amounts contributed and accruing after December 31, 1988) under Retirement Plans including 401(k), 403(b) and 457(b) plans. The restricted monies generally may not be distributed to participants before the occurrence of one of the following, as allowed by the employer's written plan: attainment of a specified age (generally age 59 1/2 for 403(b) plans, age 65 for 401(k) plans, and age 70 1/2 for 457(b) plans); severance of employment with the employer (due to total disability, retirement, termination or otherwise); financial hardship as defined under present or future IRS regulations (in which case only elective deferrals may be withdrawn); or death of participant. Certain exceptions apply to distributions from custodial accounts, from amounts contributed pursuant to a tax free rollover received from an IRA or another employer plan, of after-tax contributions, pursuant to qualified hurricane, disaster or recovery assistance legislation and due to plan terminations. With limited exceptions, withdrawals before age 59 1/2 are subject to a 10% Federal tax penalty (except for 457(b) plans). Withdrawals are generally subject to ordinary Federal income taxes. State income taxes may also apply. However, distributions attributable to designated Roth contributions, and the earnings on such contributions distributed after the applicable five-tax-year period, may not be subject to ordinary Federal income tax. Surrender charges may apply to distributions from the annuity products. Upon discontinuance of the annuity by your employer, distributions from the annuity products may be subject to a market value adjustment which may increase or decrease the value of your account. Any market value adjustment would not apply to transfers to approved products within the plan or on account of benefit responsive withdrawals initiated by participant, such as on account of your retirement, separation from service, distribution for a loan under the plan or Code hardship withdrawals. Please see your MetLife representative for more details.

Compliance With Employer's Written Plan and/or the Code: I agree that my employer or Plan Administrator may take any action that may be necessary to ensure that my participation in the Plan is in compliance with any applicable requirement of employer's written plan and/or the Code. I understand that the maximum annual limit on contributions is determined under the employer's written plan and/or the Code. I understand that I am solely liable for any tax, penalty, or related costs if contributions made on my behalf exceed any applicable contribution limits. If I participated

during the year in a retirement plan maintained by another employer, it is my responsibility to ensure that I do not exceed any applicable contribution limits.

I understand that if I am enrolling in a 403(b) plan and wish to invest in MFSP, either I or my Employer is required to establish an IRC section 403(b)(7) custodial account for such mutual fund investments. If my Employer has not signed a 403(b)(7) Custodial Agreement, I further acknowledge that I am adopting the 403(b)(7) Custodial Agreement by signing this Participant Enrollment form.

Incomplete Forms: I understand that my Participant Enrollment form must be complete and received by MetLife at the address below in time to process it prior to the receipt of any deposits. If not complete, I specifically consent to MetLife retaining all monies received and allocating them to the default investment option selected by the Plan. If no default investment option is selected, funds will be returned as required by law. I understand that I must call the Service Center or access the Web site in order to transfer monies from the default investment option.

Account Corrections: I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors. Corrections will be made only for errors which I communicate within 90 calendar days of the last calendar quarter. After this 90 days, account information shall be deemed accurate and acceptable to me. If I notify MetLife or its service provider of an error after this 90 days the correction will only be processed from the date of notification forward and not on a retroactive basis.

Required Signature(s): My signature acknowledges that I have received, read, understand and agree to all pages of this form, and affirms that all information that I have provided is true and correct. General Information About Your MFSP Plan Account

General Tax Information: I understand that the Internal Revenue Code (the "Code") and/or my employer's plan may impose restrictions on the availability of certain monies (amounts contributed and accruing after December 31, 1988) under Retirement Plans including 401(k), 403(b) and 457(b) plans. The restricted monies generally may not be distributed to participants before the occurrence of one of the following, as allowed by the employer's written plan: attainment of retirement age (generally age 59 1/2 for 403(b) plans and 70 1/2 for 457 plans); severance of employment with the employer (due to total disability, retirement, termination or otherwise); financial hardship as defined under present or future IRS regulations (in which case only elective deferrals may be withdrawn); or death of participant. Certain exceptions apply to distributions from custodial accounts, from amounts contributed pursuant to a tax free rollover received from an IRA or another employer plan, of after-tax contributions, pursuant to qualified hurricane, disaster or recovery assistance legislation and due to plan terminations. With limited exceptions, withdrawals before age 59 1/2 are subject to a 10% Federal tax penalty (except for 457(b) plans). Withdrawals are generally subject to ordinary Federal income taxes. State income taxes may also apply. However, distributions attributable to designated Roth contributions, and the earnings on such contributions distributed after the applicable five-tax-year period, may not be subject to ordinary Federal income tax. Surrender charges may apply to distributions from the Fixed Account Annuity. Upon discontinuance of the annuity by your employer, distributions from the Fixed Account Annuity may be subject to a market value adjustment which may increase or decrease the value of your account. Any market value adjustment would not apply to transfers to approved products within the plan or on account of benefit responsive withdrawals initiated by participant, such as on account of your retirement, separation from service, distribution for a loan under the plan or Code hardship withdrawals. Please see your MetLife representative for more details.

Designated 403(b)/401(k) Roth Accounts: If amounts have been held for you under any Designated Roth Account under your employer's plan for at least five years, then any withdrawal, distribution or payment of these amounts made on account of death, disability, or after attainment of age 59 1/2 is generally free of Federal income tax. Unlike Roth IRAs, withdrawals, distributions and payments that do not meet the five year rule will generally be taxed on a pro-rated basis with respect to earnings and after-tax contributions. The 10% penalty tax will generally apply on the same basis as a traditional pre-tax account under the Plan. Additionally, rollover distributions may only be made tax-free into another Designated Roth Account or into a Roth IRA as permitted under the Federal income tax law. Contributions which are designated to be made to a 403(b) Roth contribution program under your employer's plan must be aggregated with all other elective deferral contributions made under retirement plans of your employer or a related employer for purposes of applying the limit on contributions below.

Contribution Limits: Contributions made on the enrollment form are intended to be within applicable deferral and contribution limits. If any contribution specified on the enrollment form exceeds any applicable limit, either you or your employer may reduce the salary-reduction contribution to the greatest amount that would cause all contributions to be within all limits. Subject to applicable law, you or the employer (without consent by or notice to the other party) may instruct a corrective disbursement of any contribution that does not satisfy all applicable limits.

Changing Contributions: Unless your plan or your employer requires otherwise, you may increase or decrease your contributions at any time.

Stopping Contributions: At any time, you may stop your contributions by submitting a Salary Deferral Agreement. See "Effective Date" below for additional information.

Effective Date: New contribution elections and subsequent changes are effective as soon as administratively feasible in accordance with the terms of your plan.

Corrections: If your employer, plan administrator, or MetLife mistakenly directs your contributions to a contract, mutual fund, or account other than according to your direction, any of them may correct the mistake, which includes withdrawing or redeeming an amount from one contract fund, mutual fund or account and making a purchase payment into another contract, mutual fund or account.

Funding Choices: Except as otherwise provided by the plan, you choose how to allocate your contributions among the options available as permitted by your employer under the terms of the plan. You alone are responsible for your decisions. Your direction applies to all contributions. Any change will be effective only when your request for changes has been accepted by MetLife. If the plan permits, subject to applicable tax law, you have the right to transfer amounts to another contract or custodial account.

Changes to the Mutual Fund Funding Choices: Your employer is permitted to make changes to the mutual funds that are offered in your plan. If it makes changes, you will be notified by your employer of the impact on your plan account and whether you need to take any action with respect to your contribution or plan account allocations.

Other Changes by Your Employer: Your employer is responsible for determining your eligibility to participate in its plan and for making your contributions to the appropriate plan. If any contribution is mistakenly remitted to the wrong plan, your employer must instruct a disbursement from that plan, including the underlying contract and/or custodial account for the purpose of restoring the contribution to the appropriate plan.

Account Statements: Please carefully read each account statement as soon as you receive it. Please contact MetLife in writing about anything that you think may be incorrect. Send this to the MetLife address specified on your statement. Unless MetLife receives your written objection within 90 days of the date on an account statement (or the time provided by the relevant Service Agreement), the statement is considered to be true and accurate.

Responsibility of Your Plan: Retirement plans are subject to numerous Internal Revenue code requirements, and, in some cases, fiduciary and other duties under the Employee Retirement Income Security Act of 1974 ("ERISA"). Your employer is solely responsible for whether your plan complies with these requirements and other laws.

Your employer or a third party appointed by your employer (other than MetLife or any of its affiliates) selects the mutual funds ("Funds") that are offered as investment options under its plan. The Funds may also be offered with a fixed annuity account option issued by MetLife Insurance Company of Connecticut or Metropolitan Life Insurance Company.

Investment Risks: Mutual funds are sold by prospectus, which is available from your registered representative. Please carefully consider investment objectives, risks, charges, and expenses before investing. For this and other information about any mutual fund investment, please obtain a prospectus and read it carefully before you invest. Your Expenses for Investing in the MFSP Funds: You pay Fund investment management fees, other expenses, 12b-1 fees and redemption fees (if any) on each mutual fund investment in your plan MFSP account. These fees and expenses vary by the Fund. Please refer to each Fund's prospectus for a description of these fees and expenses.

MetLife Compensation Received From the Funds: MetLife and/or its affiliates also receive compensation from the Funds and/or their affiliates with respect to participants account balances for certain recordkeeping, administration and distribution services, which also vary by Fund. Different Funds provide MetLife and/or its affiliates different compensation. Upon written request, MetLife will provide the current rates of compensation for Funds in your plan and any related information reasonably requested. Please direct any such request to MetLife Resources, Client Services, 400 Atrium Drive, Somerset, NJ 08873. If you need additional information, please contact MetLife at the address indicated above.

Plan Administrative Fees and Other Expenses Paid by You and/or the Plan: MetLife receives compensation for administrative and recordkeeping services it provides for the plan. Depending on the arrangement authorized by your employer, MetLife's compensation for these services (1) consists of (a) the compensation it receives from Funds (described above), (b) a separate per participant fee or basis point fee on plan assets, or (c) a combination of both; and (2) generally, is paid by charging participants' plan accounts, or, at the employer's direction, from the plan expense account. At the employer's direction, MetLife also may be required to charge participants' plan accounts or the plan expense account and remit fees to third parties for plan services they provide, such as administrative, trust, custodial, investment advisory, or consulting services.

For information about your plan's fee arrangement with MetLife, please see the *Mutual Fund Select Portfolios* Disclosure Statement that has been prepared specifically for your plan, which is included in the prospectus kit or can be obtained from the Rep or your employer.

BUSINESS CONTINUITY PLAN DISCLOSURE¹

MetLife, Inc. together with each of its subsidiaries and affiliates, including its broker dealer affiliates, (collectively "MetLife") is committed to safeguarding the interests of our clients and customers in the event of an emergency or significant business disruption ("SBD").

MetLife's comprehensive business continuity strategy is designed to enable MetLife to meet its existing obligations to its clients and customers in the event of an emergency or SBD by safeguarding employees' lives and firm property, making a financial and operational assessment, quickly recovering and resuming operations, protecting all of MetLife's books and records, and allowing customers to transact business.

MetLife has a documented corporate policy requiring each Business Unit to develop a business continuity plan (hereinafter "Business Continuity Plan"). Pursuant to this policy, MetLife's I/T Risk and Business Recovery ("ITRBR") department has the full-time responsibility of coordinating the development, testing and maintenance of all MetLife Business Continuity Plans. ITRBR also manages contracts with recovery services vendors and is responsible for management reporting on all aspects of continuity. A formal process that includes a continuous review of internal controls enforces the corporate policy on continuity.

Business Continuity Plans have been developed, tested and approved by management for all MetLife business locations and production IT systems and applications. The plans reside in a common, best-of breed database and are routinely updated by business units and ITRBR staff. The database is replicated between two sites that are several hundred miles apart. Business Impact Analyses are used to keep the Business Continuity Plans aligned with business requirements.

Recovery resources are identified in advance and are obtained from several sources. These resources exist either within MetLife's capabilities or are obtained from recovery services vendors under contract.

Local crisis management teams are in place in all MetLife locations. These local crisis teams are charged with recording and managing any potential or actual crisis at the site from the time a situation occurs to the resolution of the incident and resumption of normal business operations.

MetLife's Business Continuity Plans address advance preparations and actions to be taken in response to disruptions of various magnitudes. The Business Continuity Plans address the potential impact of varying levels of disruptions to MetLife employees, equipment, computer and telecommunications systems, and office facilities. While it is impossible to anticipate every type of disruption that could effect MetLife's businesses, examples of the incidents covered by the Business Continuity Plans include, but are not limited to, terrorists attacks, hurricanes, fires, bomb threats, earthquakes, public transportation strikes, IT disruptions and cyber-threats.

MetLife maintains back-up systems and power supplies that allow critical computer and telecommunications systems and facility functions to be maintained in the event of minor, local disruptions. The duration of the disruption will depend on the nature and extent of the emergency or SBD.

In the event of an SBD, where it is not possible to conduct business from one of MetLife's offices, the company has contracted with a recovery services vendor for use of a remote alternate site equipped with sufficient resources to support critical business operations. Telephone service would be re-routed to this site. MetLife's networks and major business applications are replicated daily in a different geographical location from the company's offices, enabling it to access these systems from the remote site should the local systems become unavailable. As required in the Business Continuity Plans, MetLife is generally prepared to restore critical business functionality at the alternate site no later than 48 hours after declaration of an SBD. Other employees have been designated to work from home during periods of major disruptions.

The MetLife's Business Continuity Plans are reviewed as necessary, and at least annually, to ensure they account for technology, business and regulatory changes, operations, structure or location. The Business Continuity Plans are subject to change, and material changes will be updated promptly on the MetLife public website and all affiliates' websites.
