IMPORTANT INFORMATION

Whenever a new account is opened, federal law requires all financial institutions to help the government fight the funding of terrorism and prevent money laundering activities by obtaining, verifying and recording information that identifies each person who opens an account. For this reason, we request your name, physical address (a P.O. Box alone is insufficient), date of birth, Social Security number (or taxpayer identification number), telephone number and other information that will allow us to identify you. Without this information, we may not be able to open an account or process any transactions for you.

*Todos los contratos están redactados en inglés. Al hacer cualquier trato con nosotros, usted declara comprender nuestros documentos si los lee en inglés o que cuenta con algún asesor de su confianza que se los interprete. All contract documents are in English. When you do business with us, you represent that you can read and understand our English documents or have your own trusted advisor who can interpret them for you.

You should consider the investment objectives, risks, charges and expenses carefully before investing. Please call 877 518-9161 or log on to tiaa-cref.org for a prospectus that contains this and other information. Please read the prospectus carefully before investing. To have copies of paper prospectuses sent to you at no charge, please call TIAA-CREF at 877 518-9161. CHOOSE YOUR ALLOCATION

NEED HELP?

For assistance in choosing an allocation or filling out your form, please call us at **800 TIAA-CREF**.

If your employer's plan offers mutual funds as an investment choice, participants with non-U.S. addresses may be subject to certain investment restrictions, including restrictions on purchases of mutual funds.

TWO EASY WAYS TO PICK YOUR INVESTMENTS

OPTION A: One-Step Investing

This option is designed for investors who want to keep it simple – by choosing a single lifecycle fund to help meet all of their retirement needs. It's a convenient, low-maintenance way to have your retirement investments professionally managed for you – to and through retirement. All you need to do is pick a single Lifecycle fund.

Lifecycle funds have names that match specific investment time horizons – the year an investor expects to retire. So all you need to do is choose the Lifecycle investment with the name that most closely matches when you think that will be.

OPTION B: Pick Your Own Investment Mix

This option is designed for investors who want to research and evaluate their investment choices and then create their own portfolios. We can give you a head start, by providing some examples of model portfolios that include a mix of different asset classes and represent different levels of tolerance. We can also help you determine how much risk you're comfortable taking as a long-term investor. To find out how to pick your own investment mix, go step by step, through the How to Pick the Right Investments booklet.

Before making your investment choices and completing your enrollment form, please read the prospectuses for the investments you are interested in. To view the prospectuses online, go to tiaa-cref.org/PRO and enter your **Prospectus Access Code: 404939**. If you prefer, you can obtain paper copies of the prospectuses by calling **877 518-9161**. Please note that on your enrollment form, you will be asked to confirm that you have received and accessed the relevant prospectuses for your investment choices.

OPTION A: One-Step Investing

Pick the Lifecycle fund that's closest to the year you plan to retire. All of your contributions will go into the fund you pick.

INFORMATION FORM

FOR TIAA & CREF RETIREMENT CHOICE PLUS (RCP) ANNUITY

SIGN YOUR FORM

By completing this form, you are directing your employer to allocate funds under your employer's plan to TIAA or CREF's annuities and/or to mutual fund accounts offered by TIAA-CREF or by other vendors. All of your rights under these funding vehicles are subject to the terms of your employer's plan. Your employer, or other plan fiduciary, may decide to cease offering any of these funding vehicles as allocation options under the plan and, should your employer or other plan fiduciary decide to do so, you may be required to transfer your accumulations in such plan funding option to another plan funding option.

Subject to the terms of your employer's plan, cash withdrawals and transfers from the TIAA Traditional Annuity are currently not subject to a surrender charge. If such a charge is imposed in the future, the charge would apply only to subsequently remitted premiums including any amounts transferred from the CREF accounts, the TIAA Variable Annuity Separate accounts or the mutual funds after the charge is imposed. **The amount and value of any accumulation units transferred from any account within a TIAA Variable Annuity Separate account may be affected by redemption charges imposed by the investments in which the account invests. The accumulations in and benefit payments from the CREF accounts, the TIAA Variable Annuity Separate accounts, and the mutual funds are variable and not guaranteed; they depend on the investment performance of these accounts.**

If your employer's plan contains a vesting requirement, your employer exercises all rights to your accumulations under the TIAA and CREF annuities and the mutual funds until you become vested under the plan. If your employer's plan does not contain a vesting requirement or if you have met the vesting requirement of your employer's plan, you exercise these rights yourself.

Your beneficiary designation will apply to your TIAA and CREF annuities and to the mutual fund accounts for which TIAA keeps records.

Special Notice: Pursuant to Section 3 of the federal Defense of Marriage Act ("DOMA"), same-sex marriages currently are not recognized for purposes of federal law. Therefore, the favorable income-deferral options afforded by federal tax law to an opposite-sex spouse under Internal Revenue Code sections 72(s) and 401(a)(9) are currently NOT available to a same-sex spouse. Same-sex spouses who own or are considering the purchase of annuity products that provide benefits based upon status as a spouse should consult a tax advisor. To the extent that an annuity contract or certificate accords to spouses other rights or benefits that are not affected by DOMA, same-sex spouses remain entitled to such rights or benefits to the same extent as any annuity holder's spouse, unless prohibited by applicable state law.

In accordance with the terms of your employer's plan, fees associated with the administration of the plan may be deducted from accumulations held on your behalf in the TIAA or CREF annuities or in any of the mutual fund accounts.
